Features:

Construction:

- Molded fiberglass construction.
- Seamless surfaces eliminate dirt catching corners, crevices, and cracks.
- Non-corrosive fixtures cannot stain floors or carpets.
- Integral reinforcement for superior load capacities.
- High impact vinyl bumper on all end display platforms.
- With three finished sides and a kick space, end display platforms are designed to be placed against a wall or back to back.

Finish:

- Smooth, glossy, non-porous fiberglass exterior in your choice of standard colors.
- Custom colors matched to any decor are available and carry a 5% color upcharge. Black carries a 10% color upcharge.
- Granite finishes are also available and carry a 15% color upcharge.

Value:

- Cost of ownership, not acquisition cost is the true measure of value. Food Furniture® lasts longer, requires less maintenance, and requires less labor to clean than other products.

Warranty:

- Food Furniture® products are warranted to the original purchaser and will be replaced free of charge if defects in workmanship or materials ever cause failure. This excludes improper use, general wear, or conditions of service not usually encountered.
- The vinyl bumper will be replaced free of charge if it ever fails for any reason (parts and material only).

Accessories:

- Set of 7 tempered masonite dividers.
